## NEBRASKA NUMISMATIC ASSOCIATION

On September 8, 1955, the Lincoln Coin Club invited all collectors from the state to attend their Ladies Night Banquet to be held December 3. This was, in effect, the first meeting of the N.N.A. 54 members were present including Dr. and Mrs. Judd and Lew Regan. Plans for the first convention and bourse, to be held the following spring, were discussed and it was decided to pattern the association after the Kansas and Oklahoma Associations. The first convention was then held in April of 1956 at the Hotel Lincoln in Lincoln, Nebraska.

The objects of the Nebraska Numismatic Association are to advance the knowledge of Numismatics through Education, History and Science; to bring about cooperation between collectors; to acquire and disseminate worthy numismatic information; and to bring the numismatists of Nebraska into a closer relationship.

## LINCOLN COIN CLUB

The Lincoln Coin Club was organized May 8, 1951 by 13 adult and 6 junior coin collectors from the city. Since that time the club has grown and prospered and now has over 300 members. The Lincoln Coin Club has sponsored 4 previous N.N.A. conventions and has fared very well in National Coin Week competition, taking First prize twice and placing second and third over a half dozen times.

The purposes of the Lincoln Coin Club are to promote the science of Numismatics by the acquiring of materials and the study of coins, paper money and medals; to encourage and assist new collectors; to cultivate the fraternal relations between collectors and students; to foster the interest of youth in the subject and to demonstrate the fact that numismatics is an educational, serious and entertaining pursuit.
